Please join us for a fun-filled weekend of fellowship with your fellow Scouts/scouters from around the Cardinal District. We expect this to be one of our largest Camporees ever; this Camporee will target both Scouts BSA and Cub Scouts. Our theme is Search and Rescue. Participating units will be asked to work and manage a station related search and rescue. See proposed list below; unit leaders should reach out to Greg McGrew and request a station assignment. More information about the events and campsite availability will be announced at Roundtable.

The Leader's Guide is available for download TBD.
